Deadline

18th of each month

It makes me laugh!

I quite like humour. It makes me laugh. The problem, though, is that humour so often has victims. Mothers-in-law, for example, are frequently the target of cruel, undeserved jokes. So as someone who gets on very well with his mother-in-law, I realise that humour needs to be dispensed with care and consideration.

A play on words, such as a pun, can be a victimless crime, but, of course, the problem with puns is that they really are a crime, however arresting the joke might be!

Reader's Digest suggests that laughter can be the best medicine. I'm not proposing that News and Notes should dedicate a page for reader's jokes, but I guess if any reader felt inclined to share a suitable joke with the rest of us, I could find room to include it. It could make fellow readers smile, and possibly improve their well-being, although I doubt it would put our good friends in the NHS out of business.

I couldn't promise cash for published submissions, but just think of the pride attached to seeing your name in print under a side-splitting gag. It surely would be reward enough. You could send your joke by email, or, perhaps, put in on a piece of paper and furtively hand it to me in church.

Here's a start:

Diner: "Waiter, waiter, what's this?"

Waiter: "It's bean soup, sir."

Diner: "I don't care what it's been. What is it now?"

Surely *you* can do better than that!

Odstock, Nunton and Bodenham WI

11th May 2015 Resolution Meeting

Anna Treseder

Heather Marrison, President, welcomed members and thanked Gill Dodd for her colourful arrangement of tulips. Updates on the Theatre, Scrabble, Skittles, Walking, Book Groups and Gardeners followed. Linda Cox presented the Treasurer's report and gave out extra spring bulb catalogues. Correspondence and details of forthcoming WI visits and events were read out by Susie Appleford; all details are on the Diary and in your WI Magazine. The Gardeners are visiting Highgrove on 2nd July. The Nunton Fête is on Saturday 11th July. Contributions of cakes, plants and produce are required. Sue Amey reported on the Summer Outing to Bowood House and gardens on 13th July. There were a few places remaining on the coach. Julia Joynt won the ACWW Competition with an amusing (naughty) verse!

Our next meeting is the Summer Tea Party on 8th June at the Radnor Hall, from 2pm. Stalls include Bring and Buy, Raffle, Plants and there will be an Entertainment. There will be a brief business session starting at 2.15pm.

After coffee Susie Appleford presented the resolution "that the WI should lobby Her Majesty's Government to remove the distinction between nursing care and personal care in the assessment of the needs of the individuals in order to advance health and wellbeing." After a lively discussion the motion was put to a vote and was carried, although one person disagreed and a few people abstained. The resolution will be presented and debated at the AGM in London. Our Delegate will use her discretion after hearing the debate. There are serious implications for having sufficient trained staff and finance to implement any decisions.

Longford C of E Primary School

Nicolette Beardsmore, Parent Governor

Kingfishers' children had a fantastic time at Liddington in April and shared their experiences with their families at a slide presentation at the school earlier this month. We laughed and gasped at their exploits. First off, they built crate towers: 2 children wearing rope harnesses standing on top of the pile, while others handed up the crates and still more held the ropes to keep safe those standing on top. Everyone had a turn at each task – including the teachers Mr Grant and Mrs Lightbourn - with the highest stack recorded at 11 crates.

Later they undertook a tunnel trail ('now you can be a miner' reported one child), tree top trail ('now you're not afraid of heights') and obstacle courses while only ever standing on small mats, which had to be passed up the line one at a time to enable the group to move forward. The trip culminated with a raft building exercise, after which they had to paddle their craft to an island in the middle of a lake – ideally without falling off. One or two did venture a 'swim' in the chilly water on the way to the island and by the time they got back to the shore all but one were soaked – unsurprisingly, the children rated this the best activity!

According to the children the accommodation had 'beds as soft as feathers' and 'rooms as airy as air', the food was 'delicious . . . even the fussiest children were fed', the instructors were 'kind' and the whole residential was 'amazing' and a 'life-changing experience'.

While Kingfishers were away, Kestrels and Magpies enjoyed a day trip to Moors Valley where they explored the woods and learnt about animals that live in the forest and undertook their own climbing adventures on the extensive playtrail.

With so many inspiring activities taking place, the School is going from strength to strength. The School Council, made up of one elected representative from each year of the school, has been working hard to develop the playground. In addition to the new outdoor toys and equipment bought last term (the pogo sticks and scooters continue to be a big hit) the children have been painting tyres to create brightly coloured planters. Next step is to paint the new playground shed.

Which brings me to the **LONGFORD SCHOOL SUMMER FAIR at 2 PM on SATURDAY 4th JULY.**

The children are so proud of all changes that have been made to the school in the last year or so, they would like to show it off to the local community, so FOLS has taken the unusual step of holding the Summer Fair on a Saturday. So if you haven't been able to attend previous events due to work or other commitments, please do take this opportunity to come along and see the changes for yourself. There will be a tombola, raffle, refreshments, plant, toy, accessories and book stalls, outdoor games and many more activities.

Please contact Nicford@hotmail.co.uk if you are interested in renting a stall.

Donations for any of the stalls listed above are very welcome. These may be dropped into the school the school office anytime during the school day dropped

off with Nic Ford (Odstock) or myself (Nunton). Please email Nic (address above) or call me on 01722 337911 to confirm a suitable time.

On a slightly sadder note, we started the term with the unexpected death of Feathers, one of our school gerbils. Tickles returned to school but was finding it rather lonely – and noisy! So it was decided that Tickles would be best in a home environment. Various children put forward their case for adoption and we're pleased to say that Tickles is now happily residing with Brandon.

Finally, as if this term hasn't been busy enough, in mid-May Year 6 children took their national SATs tests: English and Maths tests everyday from Monday – Thursday so nerves were a little frayed. Children in years 3, 4 and 5 kept them company by sitting practice tests, honing their skills for the future. While Year 2 children have been undertaking school-based SATs assessments throughout May as well. Fingers crossed they all do well.
