The Rectory
Nunton

Dear Friend

0722 330628

In the hope that this issue reaches you in time, may I remind you again of our **coffee morning and bring and buy** on 1 October. It is in aid of the **House of Hope** in Jerusalem which cares for blind people and children with learning difficulties. The event takes place in the Parish Room, Nunton on 1 October from 10 am - 12 noon. Offers of help to Debby Underhill or the Rectory. Thank you.

There are three Harvest Festivals this month (please see diary of services). There are also two Harvest Suppers: 9 October at 7.15 pm at the Radnor Hall, and 15 October at 7.30 pm at Charlton Church. I do hope that people will cross parish boundaries and come to these suppers regardless of in which parish they reside.

All the above events are opportunities to meet one another and to give thanks to God for our own relatively stable and comfortable situations and to remember and support those in far away places whose lives are very different and less fortunate.

The church bookstall has been quiet over the holiday period. It will be making appearances at the Harvest events and on other occasions. Do think about picking up a religious or Christian book both for yourself or for a present.

Yours

Robert Hollingshurst

WI

On 12 September Mr Atkinson spoke on "A Day in the Life of a Shepherd". Mr Atkinson had previously worked in the ladies couture department for Christian Dior in Conduit Street. He started his completely different life as a shepherd by fencing part of his land and buying sixteen lambs at £10 each. Now he buys and breeds hundred of sheep; his talk was hilarious and much enjoyed by everybody. During the years Mr Atkinson learnt how to cure cross eyes and "pulpy kidney", he bought and trained - with difficulty - two sheep dogs, and spent many hours bringing home sheep which had strayed. To celebrate the WI 75th anniversary, the committee served an excellent ploughman's lunch, after which we planted a euphorbia, a Mexican orange and daffodil bulbs in the Jubilee Gardens at Odstock. Miss Betty Marks won the flower of the month prize with a beautiful *Alstromeria*. On 10 October Mr Page will talk on the History of Wallpaper. Angela Moules

Car Boot Sale

The Car Boot Sale held on Sunday 11 September at Nunton, organised by the Radnor Hall Football Club raised £135.50. This has been forwarded to the Douglas Arter Centre, Odstock Hospital. Many thanks to all who supported it. N Tucker

Madeline Baker, Jo Harris and friends raised £100 selling refreshments, plants, fruit and vegetables - proceeds to the Odstock Church Restoration Fund.

Road & Traffic News

It is 6 months since the new layout of the A338/C12 junction, where the Nunton road joins the Bodenham Bypass, was opened. The design is somewhat novel but I believe it has removed much of the hazard that existed before and encourages a more disciplined traffic flow. My proposal for "continental style" speed limits linked to village name plates was agreed by the County Council and submitted to the Secretary of State for Transport for implementation on a national basis. We have now had the response that no changes to current speed limit signing policy are planned for the foreseeable future. It was worth a try and I will stick at it! Julian Johnson, County Councillor

School News

At a recent meeting of the Education Committee it was agreed that the new housing development on the old Newbridge Hospital site, as well as areas on the Britford Lane side of the A338, will become designated to our Britford and Odstock schools, instead of being allocated to Harnham school. This decision should help to increase pupil numbers at the two village schools in the coming years. The viability of village schools does come up for discussion from time to time so anything we can do to boost admissions all helps. Julian Johnson, County Councillor

Charlton Fete

We would like to thank all who helped to organise and who supported the village fete. A grand total of £640 was raised. A special thank you to Mickey Mouse for coming to open the fete for us.

Downton School

Downton School has returned to a very busy term celebrating yet another year of excellent examination results. Well over half of last year's final year pupils who took their exams gained five or more GCSE passes at the highest levels.

In the first week of term, a one-hundred-strong party of staff and pupils visited Normandy. They saw the Bayeux Tapestry and visited the D-Day beaches, as well as practising their French. The third week of term saw a party of fifty on a residential activity week in Dorset. Activities ranged from canoeing to archery and rock climbing to raft building.

Individual pupils have also been highly successful in various fields. David Hatch represented Downton School in the English Schools' Athletics 1500 metres, having been selected for the Salisbury Area, County and South West Area athletics. This year Emma Payne gained nine A to C grades in her GCSE exams, while former pupils Jonathan Hadley and Paul Dodd achieved two and three grade As at A Level in their respective sixth forms.

A poem by Zoe Snelgrove, a Year Eleven pupil, on the theme of "Working Together", was included in an anthology of winners of the Co-Op Caring Poetry Festival 1994; while Christopher Sowerby was awarded the Dunlop Hi-flex Young Person Award 1994 for excellence in Technology.

We also now of course have a new Year Seven in school, with numbers higher than last year. As usual they have settled in well, with little or no problems. We are already looking forward to next September, and with that in mind, the school has an Open Evening on 12 October 1994 at 6.30 pm for all parents with children in Years Five or Six. Come and find out more about your local school!
