## Happy New Year

Happy New Year to readers of "News and Notes"!

New years are traditionally a time for fresh starts, and as somebody who has not long ago made a fresh start of his own, can I thank the people of Nunton, Odstock, Bodenham, Charlton-All-Saints and Britford for the support they have given to Mary and me on the occasion of our marriage?

Some have contributed to generous wedding gifts, and Mary has particularly been struck by how welcoming people have been at the various church and village social events she has attended. Thank you all for your willingness to make her part of the local community. As somebody who has never lived in a village before, she has been struck by the amount of joint community activity that goes on, and how people pull together to make their villages work.

News and Notes is, of course, a key organ in making that happen, so thank you to Adrian and all those others who, by compiling it and distributing it, help to make the communal life of our villages so strong.

*Rick Williams*

## Odstock, Nunton and Bodenham WI

Gill Dodd

The WI meeting this month, on 14<sup>th</sup> December, was a Christmas Spectacular. We were asked to come in a Christmas outfit which was to be judged by the President. This was won by Dee Prince who was dressed as a Father Christmas. She undoubtedly looked the part.

The business meeting was kept short but all the usual activity groups were well covered.

The President's table had a beautiful white cyclamen with silver decorations provided by Lesley Meader. Behind the table was a massive raffle display. Around the room we had a Christmas sales table adorned with goodies made by the Pins & Needles group. There was our usual Bring & Buy stall next to a table for the ACWW competition and a Lucky Dip. The competition was for a handmade decoration. This was won by Sharon Chalke.

Wendy Duke gave us a resumé of our efforts to help with Morning Star, our chosen charity. We had provided a variety of men's thermal wear and food for their soup run. This Morning Star group had made a tree using old green plastic bags and green bottles for the St Thomas' Christmas tree festival. From a vast number this tree was chosen to be placed in the new porch of the church.

Ten members had attended the Wiltshire weekend at Denman College and Elizabeth Cutter gave us the feedback. Seven members had studied Blenheim, two had enjoyed the films of Judy Garland, and one had opted for Christmas Cookery.

We had amusing Christmas readings from Sally Halliday and Celia Maidment. Carols were provided by Linda Cox, Carol Stratton, Susie Appleford and Gill Swatridge. They sang a parody of the WI based on "See amid the winter snow" and we all joined in the chorus.

Pam Trubshaw thanked the President and Committee for all their hard work in arranging such a wonderful morning.

The finale was champagne, mince pies and sausage rolls. Judith Johnson who had recently died kindly bequeathed the drink; we held a minutes silence and a toast was proposed by the President.

With Christmas ringing in our ears we departed for home looking forward to our Christmas dinner organised by Sue Amey for later in the week.

## Book Launch

**Thursday 7th January 2016 at 4.00pm**

All welcome to the launch of 'Life in the Psalms: Contemporary Meaning in Ancient Texts' by **Patrick Woodhouse**. The book is the Mowbray Lent book for 2016. The author is a writer and Anglican priest who was for thirteen years a Canon of Wells Cathedral and now worships at Hilfield. He is the author of Beyond Words, a guide to a contemplative way of prayer; With You is the Well of Life, a book of prayers for private and public use; and Etty Hillesum, a Life Transformed, which explores the life and writings of the young Dutch Jewish woman who kept a diary in the darkest days of the war, and died in Auschwitz in 1943.

Free entry; tea and cake.

Please ring: 07766 305 292  
OR any items may be handed in at Bemerton Heath Trussell Trust shop, labelled *Helen*.

*In aid of the Trussell Trust - Many thanks.*

## Odstock Parish Council

*Rod Poynting. Vice-Chairman O.P.C.*

Thanks to all who attended the Parish Council meeting to discuss Wiltshire Council proposals to close the junctions from Nunton onto the dual carriageway for traffic making right turns. It was useful to have your views on ways to minimise accidents at this junction as it has become an accident black-spot even though it has been already been modified. One of the recent accidents involved a fatality. The general consensus seems to be that the reversion of the dual carriageway to single lane road, the implementation of reduced speed limits and introduction of lighting and or bollards at the northern end of the dual carriageway will make it less hazardous.

The P.C. will advise Wiltshire Council of the unacceptability of their original proposal and the alternatives that we advise. If you would like to give your views directly to W.C. you can contact the Senior Traffic Manager, Julie Wharton on email: [julie.wharton@wiltshire.gov.uk](mailto:julie.wharton@wiltshire.gov.uk)

The P.C. continues to pressure W.C. Highways to refurbish road C12 (from Nunton Church to the dual carriageway) and although this has supposedly been given priority, still nothing seems to be happening. If you would like to make personal representations this might well move things forward.

You can contact W.C. Highways through the link on the Odstock Parish Council website. Please use this to report all your concerns about roads, footpaths and road gullies etc. By doing this you are able to track scheduled rectification dates and progress. If several people report the same item, it will likely receive priority.

Just to remind everyone that Odstock Parish Council is on Facebook, look out for information and posts.

## **"No, no, no, no ... No Right Turn!"**

*Editor*

Thank you to the Parish Council for putting to Wiltshire Council the generally held views of the unsuitability of the "No right turn" proposal, and suggesting more viable alternatives.

I'm sure, like me, some readers of News and Notes will have made direct representation to Wiltshire Council on the subject. If you are one of them, and receive a reply which you would like to share with the rest of us, please let me know. I could certainly make them all available on the News and Notes website, and, space permitting, include some in News and Notes, too.

## **Recycle your tree with your garden waste**

If you have paid to have your garden waste collected at home you can leave your real Christmas tree alongside your garden waste bin for collection between 9<sup>th</sup> and 31<sup>st</sup> January only. Alternatively you can take it to any of Wiltshire's 11 household recycling centres.

## **Radnor Hall Players**

*Jeremy Metcalfe*

To all Radnor Hall players, supporters and audience: Thank you to all the actors and directors who put on a splendid show, for which there have been great accolades from those who were lucky enough to see it.

Thank you to all those who helped behind the scenes, Front of House and in the kitchen helping with the catering.

Thank you to all those who came to see the show, and we hope you enjoyed it as much as we enjoyed doing it.

## **South Wiltshire Paths Group**

Since our last update we have been very busy with work parties and officially opening our very first Circular Walk in Pitton. The last few months our work parties have visited many of the Parishes in the Southern Area Board replacing several stiles with kissing gates, repairing stiles, clearing vegetation, resurfacing and adding steps to bridges to name but a few. Our biggest project has been resurfacing a very long stretch of path located in Redlynch. The path was closely fenced with the posts collapsing on both sides. The very narrow path had become overgrown and during the winter it became very slippery and uneven, to the extent that many Redlynch residents had stopped using it altogether. The task was to clear the path, realign the posts, level the surface and top the path with planings laid over a semi-permeable membrane. South Wiltshire Paths Group joined forces with Natural England and Redlynch village volunteers to complete the works. The path is now a pleasant country path preventing residents risking the walk on the road or driving to access their village shop.

## South Wiltshire Paths Group (cont.)

On the 11<sup>th</sup> October 2015 we officially opened our very first Circular Walk in Pitton, by all accounts the grand opening was a huge success with over 50 people attending. The Pitton Paths Group under the local leadership of Brian Cudby have worked together to establish this circular path which incorporates existing Rights of Way and takes in the Clarendon Woods. Pitton Paths Group are to be congratulated on this notable achievement. Further circular walks are planned for South Wiltshire parishes but if you have a route that you would like to make into a Circular Walk then please let us know.

### How can you help?

Has your Parish got dangerous or difficult to negotiate stiles that need replacing?? If so we have some lovely wooden kissing gates in stock that we would like to use. Wooden kissing gates are stock proof and are very ascetically pleasing features using naturally durable sweet chestnut timber.

Volunteering: If you can offer just a few hours of your time you will not only enjoy the benefits but also the satisfaction of helping your community by improving the access to our vast network of footpaths in South Wilts for all of us to enjoy. If you are interested then please contact our Volunteer Co-ordinator and add yourself to our mailing list using the link below:  
<http://eepurl.com/RVV7j>

Once signed up you will receive information on up and coming events, work parties and updates on the projects' progress. *Abby Sullivan, Volunteer Coordinator*

## Cold Living

Living in a cold home can be bad for your health. Consistently low temperatures in your home may exacerbate existing health issues (particularly respiratory and cardiovascular conditions) and make it harder for you to recover from illnesses. It can cause you and your family to feel miserable at home, affecting concentration, dexterity and mental health.

Residents can now contact **Warm & Safe Wiltshire** - the commitment from Wiltshire Council and Wiltshire Fire & Rescue Service and their partners to help residents live in safer and healthier homes - and a one stop shop for all cold home and energy queries. The service provides free, impartial advice about keeping your home warm, understanding your heating system and energy bills, switching energy supplier, making energy saving improvements and a comprehensive home fire safety check where eligible. Energy advice can be given through home visits as well as over the phone.

Warm & Safe Wiltshire can help to improve energy efficiency in the home which can reduce fuel bills. The service can also advise on possible benefit entitlement and available grants such as the Warm Home Discount.

Insulation is one of the best ways of lowering your energy bills and a new grant offer means that if you are a homeowner or privately-renting tenant in Wiltshire with a suitable property you can have cavity wall insulation installed in your home, free of charge – helping to make your home warmer and cheaper to heat. In some circumstances you may also be able to access grant funding to help with the cost of insulating your loft. All offers are subject to survey, funding availability and property suitability.

## Harnham Garden Society
