## Remembering

*Revd Jenny Taylor*

The Chalke Valley has completed its round of glorious Harvest Festivals, but now the mood changes. November is a month for memories, many sad, as we remember those whom we have loved but who have now died. 1<sup>st</sup> November is All Saints' Day and the 2<sup>nd</sup> is designated as All Souls' Day. On All Saints' we give thanks for all the saints, both known and unknown, and on All Souls' we remember particularly those whom we have loved but who have died. Then there is Remembrance Day on 11<sup>th</sup> November preceded by Remembrance Sunday on 9<sup>th</sup> November when we join our whole nation in remembering those who have fallen in war. This year, of course, it is a particularly poignant time as we mark the centenary of the outbreak of the First World War.

It is all too easy to dwell on the negative at this time instead of understanding that each life, whether short or long, is unique, gives of itself and leaves an impression on those of us who are left. Whenever a person is remembered that impression deepens, and that life becomes intertwined with our own. Yes, we are sad at loss and rightly so, but reflecting on words from St Paul can lift even the most sorrowful of hearts:

*"For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."*  
*Paul's Letter to the Romans 8: 38-39.*

## Odstock, Nunton and Bodenham WI

Priscilla Mackay

The meeting on 13<sup>th</sup> October at the Radnor Hall was opened by the President, Elizabeth Cutter, who welcomed everyone.

The prayer was read by Doreen Smith, and the attractive autumn flowers were arranged by Maria Amey.

The walking group will meet at the Alice Lisle pub on 27<sup>th</sup> October. Pins and Needles will meet on 10<sup>th</sup> November at Charlton All Saints. The planned meeting on Appliqué has been cancelled due to lack of support. The Gardeners' Group will meet again in February.

On 3<sup>rd</sup> November, the Downland group will meet in the Radnor Hall hosted by Odstock, Nunton & Bodenham WI. Helpers will be needed from 12.30pm, and volunteers are asked to bring cakes or sandwiches. There will be a sale table of Christmas edibles.

Plans were made to create a centenary banner.

The Christmas Lunch will be on 11<sup>th</sup> December at the Holiday Inn, Amesbury.

*Correspondence:* Only notices for local events will now be read out. All Wiltshire events are advertised in the WI magazine, and members wishing to attend should contact Susie Appleford.

*Treasurer's Report:* There is a healthy balance in the bank.

*Breast Cancer Unit:* The proposed new unit for breast cancer patients is asking for input from women who have had the disease or their carers. Contact Art Care (01722 336262 ext. 4517).

There was a presentation by Janet Pegrum of Neal's Yard Remedies. The company started at Neal's Yard, Covent Garden with a product based on frankincense. The products were made under the arches in Battersea. Nowadays, production is at the factory at Gillingham, Dorset and selling is by franchise outlets. A wide range of cosmetic products were featured, based on pure and organic ingredients. A demonstration of facial cleansing and make up was also given using a volunteer.

Following the talk, members enjoyed an excellent ploughman's lunch provided by Margaret Barrow and her team of helpers.

The next meeting on 10<sup>th</sup> November will be on *Diet for Better Bones*.

## Dismayed of St Andrew's

To Whom it May Concern

We, the spiders and associated insects from St Andrew's Church Nunton, wish to express our DISMAY at events that occurred this weekend. On Saturday morning, 20<sup>th</sup> September, a date we were confident of peace and quiet as it is a busy weekend, an ARMY of at least a dozen bipeds (*also known as humans*) descended on our home and not only dislodged us from our well concealed corners, but rendered the whole church so clean, waxed and shiny with polish it has made re-establishing any sort of accommodation virtually impossible. It will take us a lot of hard work to re-populate and take over what we consider to be our rightful place in the rafters and crannies of this ancient building.

We would also like to comment on the CHATTER that went on during the few hours, our lives were being so disrupted. In our experience, and that of our relatives, cleaning is meant to be a dull and tedious task. Well, you would never know that from this lot! The cheerfulness and exchange of news, comment and general cameraderie we witnessed was contrary to all preconceived ideas and we would like to complain about that too.

Please speak to someone in authority to ensure this never happens again.

Yours, disgruntled and homeless,  
*The Spiders and their friends*

### **Response from the Church Wardens**

We understand, and have some sympathy with, the above comments. However, despite some argument that our Creator is concerned with all creatures, we feel strongly that the above building was built by people for people, and should be a place that is warm, friendly and welcoming should any such people choose to visit. We are therefore very grateful indeed that such a great team joined together to work so hard.

The jobs were made much easier by the cleaning that goes on all year round by a small group of dedicated and unsung heroes who clean, polish brasses and arrange flowers in order that the church can be enjoyed as a special place of peace and worship it was designed to be. The church yard also is kept in excellent condition and we are all grateful for that too.

In summary, the churchwardens are sorry for the discomfort expressed and experienced by the spiders and their friends, but are glad that for a while at least, the humans can enjoy the church without fear of a battle with cobwebs. We are confident that, as autumn approaches, the aforementioned inhabitants of the building will re-establish their homes, but it is important that every now and then, we exert our dominance. *MM and AW*

## **Camper Van Parking**

We're looking for somewhere to store a camper van, 20ft long by 9ft high, during the winter months. If you think you may have some suitable space we could use, please ring David and Carol Ings at 7, The Old Dairy, Nunton on 01722 323713, or email [carol\\_ings@yahoo.co.uk](mailto:carol_ings@yahoo.co.uk).

## Parish Plan

*Editor (See front page and below for contact details)*

Arising from recent discussions with Odstock Parish Council about possible plans for Nunton Recreation Field, the question of producing a **Parish Plan** for Odstock, Nunton and Bodenham has been raised.

*To quote from a website on the subject. "A Parish Plan is a document that tackles important issues that will influence your neighbourhood in the future." and "Parish Plans can be used to make sure local concerns and characteristics are taken into account before any planning decisions are made."*

If you are interested in being involved, in any way, in the production of a Parish Plan, please let me know. I will put all those who contact me in touch with each other, and make the columns of News and Notes available for communications, as required.

## Churchwardens' Notes

### Odstock and Nunton

*SR, AW, MM. 20<sup>th</sup> Oct 2014*

It may appear all quiet, but actually quite a lot has been going on in our little church community.

The Barker Room, which was badly affected by the flash flood a few months ago, has had a makeover with new damp coursing, new wall panels and more efficient heating. A team of volunteers have touched up the paint work, and the carpet will be laid later this week. We also hope to improve the lighting. This will all help to make the Barker Room a comfortable, usable space – let us/Harry Joynt know if you would like to hire it – birthday parties, whist or bridge, or simply a social gathering. The rates are very reasonable!

In St Andrew's we have been, and continue to, work hard to mitigate the effects of the wet weather earlier in the year and repointing, and some repainting, is due to take place. We are in the process of replacing the kneeler by the altar – there will be a central removable cushion to allow free access for flower arrangers as requested.

Plans are afoot, and many forms have been completed, for a loop and sound system to be fitted into both Nunton and Odstock churches. The time scale is out of our hands for now, but fitting will be as soon as is possible.

Rick, the team vicar, is off to Sudan in the middle of November for 10 days so Jenny Taylor will be picking up any calls. However, interviews for the new team Rector are planned for early November so hopefully the clergy team will be back to full strength in the New Year.

Advanced Warning of where services are:

**Remembrance Service** on 9<sup>th</sup> November will be at Odstock at 10.55am.

**Carol Service** at 6.00pm on 21<sup>st</sup> December will be at Nunton, and **Christmas Morning** will be 11.00am at Odstock.

Thanks again to many helpers who give up their time and energy to facilitate the work of the church in our villages.

## Harvest Thanks

*Debby Underhill*

**Thank you for coming to our Harvest Festival and bringing gifts for The Trussell Trust and Cueibet in South Sudan.**

On Sunday 5<sup>th</sup> October, we had a lovely service, a moving talk and PowerPoint presentation about Cueibet in South Sudan, followed by the most delicious supper, home cooked by numerous people, to whom we give many thanks.

We were able to take some boxes of produce to The Trussell Trust and they were extremely grateful.

*If you would like to give more produce to the Trussell Trust, please leave it in the basket in Nunton church.*

We made £529.40 for Cueibet. We are very lucky to have two members of our Parish going out in November; Rev Rick Williams and Dr Sherwood Elcock, to share in their knowledge of ministry and health care. The people of Cueibet have so little and we have so much!

Our next fund raising event will be carol singing around the three villages just before Christmas in aid of The Children's Society. Do come and join us or listen out. Times and dates will be announced next month.

## Nunton Church flowers and brasses

Julia Joynt

Thank you everyone who has done the flowers and cleaned the brass so reliably and beautifully this year. I do so hope you are willing to continue. If there is anybody else who could find the time to do one session of flower arranging, or one month of brass cleaning, or both, I would be delighted to hear from them.

Doing the **flowers** would involve an altar arrangement and a small vase under the memorials on two consecutive Sundays once a year. **Brass** cleaning would be for two occasions during the month before scheduled services. Expertise is not a requirement!

For any offers of help, or other queries, please call me on 01722 329782.

## BREAD FLOWERS

**Bread & Flowers are very excited to welcome back Lucas Hollweg as our next guest chef here at Longford Farmhouse on Saturday 29<sup>th</sup> November 2014.**

Lucas is a former Sunday Times Cook and 2012 recipient of the Guild of Food Writers award for Cookery Journalist of the Year.

His book 'Good Things to Eat' won best first British cookbook at the World Cookbook awards in 2011.

A self taught cook, he is known for his relaxed and accessible approach to cooking. "If people cook one of my recipes and it makes them go 'yum', then I've done my job," he says. Since leaving the Sunday Times last year, he has regularly contributed recipes to Waitrose Kitchen, Sainsbury's Magazine and Delicious.

His longer term ambition is to take the plunge and set up his own kitchen. We have been trying to tempt him to the Salisbury area for a couple of years now, so fingers crossed for the future.

In the meantime, he is really keen to come and cook some of his latest dishes for 40 lucky locals. If you would like to be one of them, call or email for more details. The menu wasn't fully sorted at time of going to press, but promises what Lucas describes as "comfort-blanket flavours - just what you want as winter takes hold."

You can book a table for a bunch of friends or just book for two and come and share a table. The evening comprises a welcome glass of fizz, canapés, four courses, coffee & petit fours, plus, of course the opportunity to chat with Lucas after dinner. He'll probably sign his book if we get some in for you to buy.

## Neighbourhood Policing

### Halloween and Bonfire/ Fireworks night

Local NPT officers will be making additional evening patrols over the week-long period around Halloween and Bonfire night.

In recent years we have seen a reduction in reports of anti-social behaviour during this period which suggests that local parents and young people are celebrating these events in an appropriate and responsible manner.

However, this period can be a stressful and nervous time for some local residents worried about 'trick or treat' visits and loud noise from Fireworks.

Parents should ensure that any celebrations are supervised and respect the privacy of those not wishing to take part.

As in previous years, local Police will be distributing Halloween posters which can be displayed by those not wishing to be visited. These posters will be available in local shops/ Post offices in the run up to Halloween. You can request a poster from your local NPT (contact details below) if you are unable to collect one locally.

**We will be available to discuss any of your concerns at the following Weekly Police Surgeries:**

**Wednesdays 11.00am – 12.00noon**  
Coombe Bissett Church  
(at coffee morning)

**Thursdays 10.30am-11.00am**  
Downton Library, Church Leat, Downton

*Pc 1157 Matt HOLLAND and Pcs 6227 Matt SMITH*

# BREAD FLOWERS

Bodenham SP5 4EJ**

We are a private venue, which delights in serving up great food. Neither a restaurant nor a pub, we offer unusual and exotic dishes, mixing Mediterranean flavours with traditional English game.
