June 2004

## Summer

The summer is here at last, but to our Celtic forbears summer started way back on May 1<sup>st</sup> and ended on July 31<sup>st</sup>. The sun and the moon ruled their calendar very much. The great mid-summer festival is on June 21<sup>st</sup> and is celebrated to this day by many thousands of people who will be gathering at the ancient cathedral at Stonehenge. The Celtic Summer was named Beltane and, with the weather growing fine and hot, was a time of increase in confidence and of growth and greater sociability. However today, with climatic change caused by our own abuse of the natural world around us, we find the seasons can no longer be relied upon. God-given mother earth has been so abused that she is about to turn on her abusers.

Can anything be done to forestall this catastrophe?

Well, the answer is “Yes”. Scientists tell us that if we start to be more eco-friendly then the planet will start to heal itself. Small things like car sharing and recycling our waste could make a difference. Above all, it is the hearts and wills of those in power that need to change if we are to pass on to our children a world that can still sustain them. It is our task as Christians to care for the things that God has given us and become more active in environmental concerns.

This summer, ask yourself “What am I doing to pass on this great legacy to my children?”

I wish you all a happy and joyful summer.

*Roger Redding*

Tuesday, 29 <sup>th</sup> June	St Peter	8.00am, Holy Communion, Britford

## WI

*Margaret Morgan*

Carolyn Mayall produced a wonderful arrangement for the President's table consisting of many flowers from her garden and Pamela Trubshaw as Vice President presided over the meeting on 10 May.

Pat Reeves read the prayer and apologies were read by Jean Van Hagen. Amongst other matters discussed were transport for the forthcoming outing to the Emblems on Wednesday 19 May and help for the garden party on 14 June. The flower of the month was won by Rita Hobbs with a lovely cowslip.

After coffee the three resolutions of the National Annual General meeting were discussed by our three representatives - Rita Hobbs, Sheila May and Jean Van Hagen.

The three resolutions were:

- 1) urge HM Government to put into place legislation to combat trafficking and support victims in view of its increase.
- 2) prohibit GM crops in the UK.
- 3) more funds for Air Ambulance.

All three resolutions were left to our delegate to decide as members wanted more specific knowledge.

The next meeting - the garden party - will be on Monday 14 June at 2 p.m. in Julia Joyn's garden where we hope for sunshine.

## Ace of Hearts Appeal

*The Tucker Family*

The Book/Bric-à-Brac stall in the hospital foyer on 4<sup>th</sup> May raised £255 plus a donation of £300.

The Car Boot Stall at Nunton Football Field on 9<sup>th</sup> May raised £216. Many thanks to all who donated items and everyone who supported this worthwhile cause.

## Odstock Primary School News

The visit from Robert Key in April went well; he visited as part of a national campaign run by Oxfam and the children enjoyed meeting him and learning about education in the poorer parts of the world.

During May we are going to have a visit from the Life Education Centre. This is a mobile classroom that tours round schools. The children are given a lesson in the mobile geared to their age and will cover topics such as body awareness, importance of a balanced diet and how the brain works to control emotions.

Some of our children are taking part in the Salisbury Schools mini-marathon. This will involve running a course over the Laverstock Downs. We have set up an after school athletics club which is very well

supported and is run by our headteacher and assisted by parent volunteers.

We have received nearly £100 from Hills Minerals & Waste; this is for the paper from the recycling bins, so please do keep recycling your paper in the bins outside the school. The PFA's Plant and Cake sale was a great success and, as the weather was kind to us, we were able to hold it in the playground. The amount raised nearly £80. This money and any other raised by the school is going to be used to improve the outside play area, providing the children with equipment to use during playtimes and also to provide some shade during the hot summer days that we hope are to come.

We will shortly be having a vacancy for a Governor of our school. If you would be interested in becoming a school governor please send a letter to the school, marked for the attention of the Clerk to Governors. The commitment is for two meetings a term, currently lasting approximately 1½ hours, and sub-committee meetings as required. Training is available.

The Tesco computers for schools promotion has now finished. We would like to thank everyone who dropped in tokens to school. This year we have collected approximately 5000 tokens with some still coming in. We will shortly be deciding what to spend them on.

We are having a book fair for three days from 21<sup>st</sup> June, hosted by Travelling Books, and villagers are welcome to come and look and purchase the books on offer. Please telephone the school office on 01722 329701 for timings if interested.

## Car Boot Sale - Diabetes UK

*Bernard Stubbs*

There will be a Car Boot Sale in aid of Salisbury Voluntary Group of Diabetes UK at Nunton Football Field on 18<sup>th</sup> July 2004 at 12 noon. (If anyone has any items suitable for the car boot, please ring me on 01722 330006)

### Pat Clegg

We bid a fond farewell to the Revd Pat Clegg who has been helping out the Clergy Team during the vacancy. Pat has been a great asset and we hope that we have not seen the last of her in the Valley. We wish her all the very best in the future.
