## Welcome!

We hope you will find something that catches your interest in our Lent programme, perhaps a talk, a walk in our beautiful valley or a special service - whatever it is you will be very welcome, so come and join in!

The theme for our Lent programme this year is 'Listening' and we have a wide range of activities planned which are designed to help us all think about how well we 'listen' to the world, other people, ourselves and God. So whatever your faith, deeply committed or not at all .... this Lent why not take a little time to explore our Lent theme.

**You can find out more about all of these events on our website [www.chalkevalley.org.uk](http://www.chalkevalley.org.uk)**

**If you need any more help, have any questions or would like to get in touch with us we would love to hear from you.**

Email [chalkevalley@googlemail.com](mailto:chalkevalley@googlemail.com)

Helen - 01722 781112, Revd Jenny Taylor - 01722 503081, Revd Rick Williams on 01722 330628 or contact your local church.

**We hope to see you soon!**

## Listening to our World

Lent Talk

**Bishop Edward Condry**

**Monday 2 March at 7.00pm**

Coombe Bissett Church

Cycling Bishop Edward will explore our effect on and relationship with the world and environment. Challenging us to think about how we really 'Listen to our World' and how we recognise and address our impact on it.

With time for questions & refreshments!

Lent Talk

## Listening to the Disadvantaged

*Colin Brady*

**Monday 23 February, 7.00pm**

Berwick St John Church

Colin is a charismatic speaker and the Diocesan Social Justice Programme Manager, and he will talk on the impacts of social injustice, hidden poverty and how small changes in life can have a devastating effect. We hope that this will help us all recognise needs in our own communities.

## Chalke Valley Lent Project

Every year we have a Lent Project - a charity that we have chosen to support and by joining resources we aim to raise sufficient funds to really make a difference. This year we have selected ALABARE, and specifically their work with Veterans in Salisbury.

Their Wiltshire Home for Veterans offers housing and support to ex-Service personnel who are homeless or are at risk of becoming homeless. All residents must have served in the British Armed Forces.

This is a new service consisting of a 4-bed house and two 3-bed properties in Salisbury, housing up to 10 people at any one time. The levels of support can be varied to help veterans through more difficult times, but also provide less support so they can live more independently to help gain the skills needed to maintain their own home. Every veteran has a key worker, to help create and agree a support plan based on individual needs.

The veterans service requires significant investment to create, develop and to run and maintain on a daily basis.

Please support the fundraising activities, some of which are detailed below. If you would like to make a separate donation there will be Gift Aid envelopes available in all of our churches. If this doesn't work for you please contact Nick Lowe on 01722 780008 who will be able to offer other solutions.

## What is Taizé & Will I like it?

Taizé is a reflective, participatory service which aims to develop a contemplative state through song, music, and silence. You do not need to be a singer, as the simple chants are easy to learn. Our smallest church will be a lovely and atmospheric venue.

**So come along and give it a try!**

**Fifield Bavant Church**  
With members of QPM

## Meditations

On most Thursdays in Lent at 2.30pm at Lodge Farmhouse, Broad Chalke, there will be a series of Guided Meditations, building on our Listening theme. *To find out more contact Janet on 01725 519242*

## Listening to Music

## Chalke Valley 'Stations of the Cross' Pilgrimage Trail

Following on from last year's successful 'Creative Stations of the Cross' event, each of our churches will be creating a Station which will be on display from Saturday 28 February. Each station will be created from pictures, objects, sculptures etc and if last year is anything to go by there will be many creative and moving exhibits. **We hope that you will be inspired to make a 'pilgrimage' along the valley, visiting one, some or all of the churches - walking, cycling, riding or by car.**

On Good Friday, April 3, all of the Stations will be transferred to Broad Chalke church and there will be a 'Stations of the Cross' service at 2.00pm, when the meaning of each station will be presented by a member of the relevant church through a prayer, poem or devotion. As last year we hope that this will be a very personal, creative and individual experience for all.

## Lent Walks

Come and join us for a walk in our beautiful valley. The first part of each walk will be enjoyable for people with moderate fitness, with stops to enjoy the view and with time to 'listen'. Bring a packed lunch! The planned routes allow people the option to wander back to their cars or home or to continue on a more adventurous journey.

**Saturday 21 March**, led by Terence Rosslyn Smith - meet at Bowerchalke Village Hall at 12.30pm.

**Saturday 28 March**, led by Adrian Taylor - meet at Nunton Recreation ground at 10.00am.
