## News and Notes about cats and other animals

Readers on the News and Notes email circulation list will know that it's mainly used to advise when the online version of News and Notes is available and when animals are either lost or found locally!

I recently sent out a message about a white and tortoiseshell cat who was eating Nunton Drove out of cat food. To cut a long story short, the cat and her two kittens, subsequently found in a neighbour's garage, are now in the care of a foster home organised by the Cat's Protection League. When the kittens are weaned, which will be about mid-October, we will be offered all three cats back. If you're interested in any way, please get in touch.

Recently, too, a dog was reunited with its owners with a little help from News and Notes. I regret we did not have so much luck with rehousing the white chicken which had taken up residence at Nunton House, but at least we tried.

If you're not on the email circulation list, please consider it. The more people who are, the quicker we can find stray pets or their owners! You can join the list through the website or by email to me (*details at the bottom of each page*). The list is used sparingly, although I can't guarantee confining its use exclusively to newsletters and stray animals.

Occasionally, there are other items of interest which can't wait for the next edition of News and Notes. If you don't use email, I'm sure neighbours who do will share vital bits of information.

## Odstock, Nunton and Bodenham WI

*Gill Dodd*

The first meeting of our new programme was held on Monday 8<sup>th</sup> September. The President, Elizabeth Cutter, welcomed everyone back after the summer break. Sue Bourne had provided an autumnal flower arrangement for the President's table. She amused us all by stating that it was a leftover from her church flower arrangements.

Thanks were expressed to Sue Amey for organising our wonderful summer outing - her first event in this role and we look forward to many more. All our activities were mentioned and dates noted: theatre visits, skittles, book club, walking, Scrabble, pins and needles, and gardening. We have plenty to occupy us this autumn. A small group is revamping one of the hospital's small gardens and we hope to donate a garden bench in the future.

Local invitations were mentioned and county events were announced by Susie Appleford and Heather Marrison. The annual Council meeting to be held on Wednesday 29<sup>th</sup> October had good support. Four bursaries to Denman College could be applied for this year by new members and we hope to gain one. The WI Centenary was mentioned and we will be hearing about this in the near future. All notices were placed on our WI board so that during coffee time members can be informed and make choices on the events occurring. The ACWW competition, a photo of Salisbury, was won by Celia Maidment.

This was followed by our speaker Neil Lovesey on wildlife in the garden. This was a brilliant talk on balance in the garden and emphasised that man's interference in nature can be a good thing and a bad thing. If you want butterflies you have to suffer caterpillars. We heard how to encourage bees, birds, hedgehogs, butterflies and amphibians into our gardens. His slides were excellent and the plants he brought were good.

Our next meeting is on 13<sup>th</sup> October when we shall be having Neil's Yard Remedies, followed by our autumn lunch.

## Bible Study Group

This year our Bible Study Group has chosen to study Paul's letter to the Corinthians.

We are always happy to have lively discussions, and we respect everyone's point of view. Sometimes a member of the Clergy will be able to attend, and we find that their input is valuable and very welcome.

Do try to join us if you can.

Dates are: Tuesday 30<sup>th</sup> September 2014 then every Tuesday evening through to 4<sup>th</sup> November. That is a six week course, and we meet in the Orchard Community Room at 7.30pm. Everyone is welcome.

Don't worry if you've missed the session on 30<sup>th</sup> September. We shall start looking at Corinthians in earnest from 7<sup>th</sup> October, and, in any event, each session will be self-sufficient.

Any queries please call Marian Hearne 01722 335685.

## Traffic Calming Consultation

Odstock Parish Council are looking at options to put in place a traffic calming scheme for **Nunton** and **Odstock**. We feel this has become desirable due to the increasingly heavy traffic levels through the villages, especially during hospital rush hours. The scheme we are considering is similar to the one recently installed in Homington.

However, we would like residents of Nunton and Odstock, and any others with an interest, to have the chance to air their views. Please send any comments you have to the Parish Clerk, Richard Parsons at [opc@odstock.info](mailto:opc@odstock.info) or call him on 01794 341405.

A documented suggestion is available on the web site, [www.Odstock.info](http://www.Odstock.info), and also on display on the notice boards at both Odstock and Nunton.

## Footpath Improvement

Work will commence in the first half of October to improve and upgrade the footpath from the Nunton direction to Odstock church (behind the hedge).

This is, of course, weather permitting. The contractor will try and keep mess and disruption to a minimum.

## Longford Primary School

We are very excited to start the new academic year welcoming our new Headteacher Mrs Naomi Shrimpton. We also welcome a new child into Yr 5 and 16 new Reception children. We have now been able to use the new building which includes the new hall, office and kitchen area. There is still a little more work to do which should be completed very soon. We have started to provide the Universal Free school meals for Key Stage 1 children from our new kitchen.

If you would like to come and look around the school for a place for your child now or a Reception place for September 2015, please contact Mrs Shrimpton to make an appointment:

Longford Primary School,  
High Road, Britford, SP5 1DS

Tel: 01722 327292 [admin@longford.wilts.sch.uk](mailto:admin@longford.wilts.sch.uk)

**Wanted a new Administration Officer** to work 20 hours a week in term times, 4 hours 5 days a week. Good communication and IT skills needed. For more details contact the Headteacher, Mrs Shrimpton.

## John McNeill Car Boot Sale

*Sybil and Nicola Tucker*

We would like to thank the Salisbury Diabetic Group and everyone that supported the Car Boot Sale on Sunday 24<sup>th</sup> August in aid of the John McNeill Opportunity Centre. £654.77 was raised. Many thanks to all who baked cakes, filled rolls etc and helped on the day. Thank you once again.

## Sarum Books

### Volunteers required

Sarum Books, a Christian bookshop in Catherine Street, is looking for volunteers who can do just three hours a week. Anyone interested may contact Sue or Belinda at the shop on 01722 322280.

## The Radnor Hall Players

### Actors wanted for the Village Drama and Cabaret.

We are looking for people from Odstock, Nunton, Bodenham, Britford and Charlton All Saints to take part in the village show at the end of November.

Do you have a talent for fun and laughter? If you can act, sing or dance or just want to make a complete fool of yourself, or want to help Jeremy switch the lights on and off, why not join the Radnor Hall Players for a preliminary meeting at the Radnor Hall on Wednesday 1<sup>st</sup> October at 7.30pm and afterwards at the Radnor Arms. Fun and laughter guaranteed.

There will be rehearsals on Sunday and Wednesday evenings during October and November with final performances on Thursday to Saturday, 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> November.

If you may be interested but want to learn more, phone Geoff Adair on 01722 333042 or Nick Stanger on 01722 324380, who will accept bribes from anyone willing to offer themselves as possible candidates for audition.

## Anthony Nolan Car Boot Sale

### Thanks are so important!

*Debby Underhill*

I am so lucky to live in a wonderful, loving community.

Two and a half years ago, I had a routine blood test because I had a nasty habit of bruising. The results were completely unexpected, especially as I had just returned from a wonderful holiday and felt great. After further tests, I was diagnosed with a very rare leukaemia, which usually effects old men!

I was given sixteen months to live, unless they could do a bone marrow transplant, but there was so little research. The prospects weren't good!

Luckily, we live near to Southampton where Dr Richardson was conducting a trial to cure acute and myeloid leukaemia. She agreed to put me into the trial. I needed to find a compatible donor. My siblings were thought to be my best chance. We rejoiced when we found my elder brother was compatible. After further tests and a week before I was supposed to start my treatment, Dr Richardson decided she wanted to find a more compatible donor. This is where Anthony Nolan came in. They found a completely compatible donor; a 32 year old from USA.

On 30<sup>th</sup> December 2012, I was admitted into an isolation cell for seven long weeks of very intensive treatment. It was awful but I felt cocooned in a parcel of love and prayer. Eighteen months later, I am back from the dead and so very grateful.

I decided to run a car boot sale to raise funds for Anthony Nolan. I had never run one before. Well I did it, with help of a marvellous team and support from the Church. We had 115 sellers, lots of buyers, and twice as many homemade cakes and savouries than usual, which all went. We raised £1,300, for which I am so grateful. So is the Anthony Nolan Trust. Enormous thanks to all those who helped.

I must say that prayer helped me a great deal during the whole process of diagnosis and treatment, especially during those fretful hours in the middle of the night. Prayer helped me through the Car Boot Sale too!

Many thanks.

## Harvest Service and Supper

**at the Radnor Hall**

**6pm on Sunday 5th October**

**Supper £7**

## Royal British Legion Poppy Appeal 2014

Each year the nation expresses its unequivocal support for The Royal British Legion's charity work through the Poppy Appeal.

There is still an increasing need to help the men and women who are serving today - the Afghan generation - as well as ex-Service people and their dependants.

Please support our Service men and women in this year's appeal. Local volunteers will be collecting in all our villages. Thank you for your support.

## Green Energy Day

**4<sup>th</sup> October, 2 - 4pm,**

**Downton Memorial Hall**

This is a great opportunity to find out about different types of 'Green' or sustainable methods of producing electricity and heating in the home including 'wood burning stoves' and 'ground/ air source heat pumps, plus energy saving products, such as 'loft insulation', and rainwater harvesting.

You can talk not only to experts from local companies but also to local residents who actually have these products installed – get the answers to questions such as, 'How much money will it cost?' and 'Will it help the environment?' There will also be a Domestic Corner with smaller energy saving ideas and where you can calculate your carbon footprint.

Finally see how long it takes you to generate enough energy to make a smoothie with the famous 'Smoothie Making Bike'. Homemade refreshments available – of course!

See you there!

## Your chance to HOST

Do you ever watch the news and wonder why people can't just be kind to each other? International students come to British universities with minds open to new ideas, and insights of their own to share.

Sadly, they may experience culture shock, loneliness and even racist abuse. But a homely welcome is available through HOST. A one-off day, weekend, or Christmas visit to a volunteer host brings mutual understanding, changed perceptions, as well as fun and laughter – and this makes a lasting personal contribution to international kindness.

HOST needs more invitations all over the country, so why not see how you can enjoy this opportunity at [www.hostuk.org](http://www.hostuk.org), or call 020 7739 6292.

## Health Event

*Tom Bray*

You are warmly invited to attend Southern Wiltshire Area Board's Special Health Event on **Monday 13<sup>th</sup> October from 5.00pm at Trafalgar School, Downton.**

The event will feature a range of interactive stands, health checks (blood pressure, cholesterol, etc) and presentations aimed at raising awareness of local health and wellbeing issues. You can get advice and support, talk to health and care experts, take part in discussions and learn about changes to the way health is provided.

We have a short health themed Area Board meeting at 6pm. As part of this we will have a film featuring the changes signalled in Wiltshire's Better Care Plan, which brings together health and council services to work with local communities to deliver better health and wellbeing outcomes in Southern Wiltshire. This will be followed by a Q&A session.

Our local Health Trainer, Frank Bracher, will talk about what he offers and we will have an introductory presentation on dementia awareness, introducing the aspiration of making our villages dementia aware. There will also be regular area board items such as local updates and grants.

Event schedule:

*5pm to 6pm visit stands, ask questions and chat*

*6pm to 7pm presentations (Better Care Plan, Health Trainers and intro to dementia awareness),*

*7pm to 8pm visit stands and more chat.*
