## Dress Code

I've recently listened to a series of five short radio programmes (still available online) called *How to Have a Better Brain*. They chart the efforts of a retired consultant psychiatrist, with the help of her daughter, a neuropsychologist, to slow down the deterioration of her memory.

Each programme covers a different topic, and, to aid my own memory of the details, I've used the mnemonic DRESS. The letters stand for Diet, Relaxation, Exercise, mental Stimulation and Sleep.

The presenter of the programmes, with the help of the lady and her daughter, explores methods in each of the five areas which may improve brain power. "There's plenty of scope for you.", I hear you cry!

It occurs to me that, even without the specific aim of slowing down memory loss, attention to good practices in each of the five areas could be a very helpful recipe for caring for one's mind and body. That just leaves spiritual health to consider. Please see details of church services below, and within there's Harvest Festivals, the Filling Station, Bible Study, Messy Church and Village Prayers.

Editor: Adrian Taylor 01722 325862 (email below)

**Deadline:** 18<sup>th</sup> of each month

## Odstock, Nunton and Bodenham WI

*Anna Treseder*

At our meeting on 14<sup>th</sup> September Heather Marrison, President, opened the meeting by welcoming members and guests. Maria Amey brought a spectacular arrangement of sunflowers for the President's table. Reports on the interest groups – Theatre, Skittles, Scrabble, Book Club, Walking Group and Gardeners followed. Susie Appleford read out the WI correspondence and details of future events. Linda Cox gave the Treasurer's report.

The Annual Council Meeting at City Hall next month will be well attended by members. Rosemary Stephens won the ACWW competition with a photograph of her grandparents. Sometimes we forget to bring a contribution of foodstuff for our charity, "Morning Star", so a collection jar will be available at meetings for cash donations in lieu.

After coffee, Mr Robin Gair told us about his musical career and the two choirs he runs in Salisbury and Southampton called "Sing for Life", Wiltshire Cancer Trust. We all joined in singing "Mamma Mia" by Abba. He also spoke movingly about his family's experience of organ donation. Gill Dodd gave the vote of thanks.

We then enjoyed a delicious Ploughman's Lunch, masterminded by Margaret Barrow, followed by a superb iced cake (made by Margaret's grandson who is a chef) to celebrate the 100<sup>th</sup> Anniversary of the WI. We sang Jerusalem before cutting the cake.

The next meeting is on 12<sup>th</sup> October, when Mr Chris Usher will give a talk about "The Museum of Childhood".

## Longford C of E Primary School

*Nicolette Beardsmore, Parent Governor*

School started for new and returning pupils at Longford on Wednesday 2<sup>nd</sup> September. Five new children joined Reception. Staff started back one day earlier to prepare for the new school year, and finalise the curriculums for each class. Part of that day was spent with Governors to agree the School Values, for which the children had submitted their ideas last term. These will be published later this term.

There has been a slight reshuffle of classes: Kestrels consists of Reception and Year 1 children; Magpies consists of Years 2 and 3 and Kingfishers consists of Years 4, 5 and 6.

Children and staff have been very impressed by the new interactive IT boards which enable up to four children at a time to work at the board.

At the time of writing, the children have been back less than three weeks but already they have celebrated Queen Elizabeth's achievements during the longest reign of a British monarch, elected their members for the School Council, and Kingfishers have participated in an inter-school Tag-Rugby Event at Trafalgar (results to be confirmed).

Kingfishers have also been experiencing the work of archaeologists as part of their focus on the Ancient Egyptians this term.

Magpies are focussing on toys from the past, and Kestrels will be learning about who they are and where they come from.

But it's not just the children who have been busy; Mr Uphill deserves a special mention for building a mud kitchen in the extended play area for Reception and Year 1. Families have also contributed various utensils to enable the children to indulge in their own approach to baking.

Friends of Longford (FOLS) will be holding their AGM on Friday 16<sup>th</sup> October at 9.30am at Longford.

Anyone who would like to be involved is welcome to come along – even if they don't have a child attending the school.

Finally, in addition to three after-school clubs organised by the School in Gymnastics, Marital Arts and Multi-Sports, Kiddi Galore is now offering after-school provision, from Longford School, for local families whose children may or may not attend Longford. For more details and costs please contact Kiddi Galore directly on 01722 322179.

## South Sudan

*Maggie and Jeremy Metcalfe*

We are in the process of packing our bags for our trip to Kajo Keji in South Sudan with CRESS and want to thank everyone who has so kindly contributed items for us to take with us.

By the time this News and Notes comes out, we should be back from our trip, but we will have to wait until next month's edition before we can give an account of our adventures. So in the meantime, thank you for your generosity - the handbags, bracelets and tee shirts for the ladies, the men's shirts and suitcases, the bubbles, balloons, crayons and toothbrushes for the children - and be assured they will all reach a welcome destination. We will enjoy greeting people from Kajo Kejo and Liwolo on behalf of our villages here.

It promises to be a fascinating fortnight, and I am quite sure we will benefit every bit as much as the people we are visiting, if not more. Do follow our progress on the website - [www.cressuk.org](http://www.cressuk.org) - where we have been encouraged to post blogs!

No doubt we will bring back some photos to accompany our stories and look forward to sharing them with you on our return. Many thanks again.

## Car Boot Sale result

*Brian Clake*

I have today sent a cheque for £1,133.27 to Salisbury Hospice, the total proceeds from the Car Boot Sale held at Nunton on 13<sup>th</sup> September.

I would like to thank everyone who supported this event, whether by direct involvement or the donation of cakes and money!

Many of us are perhaps under the impression that Salisbury Hospice is part of the NHS. The Hospice does of course work closely with the NHS, but has to raise in excess of £1,000,000 every year in order to keep services going. It relies heavily on local fundraising, so watch this space!

## Orchard Bible Study

For the Bible Study at The Orchard this year, we have a series of four sessions led by Canon Anthony Hawley. The title of these sessions is "A New Way of Looking at Bible Characters", and we hope to learn more about some of the characters found in the Bible and the meanings they might have for us as practising Christians.

We meet at 7.30pm on Thursday evenings and the sessions should finish at 9.00pm. The dates are 8<sup>th</sup> October, 15<sup>th</sup> October, 22<sup>nd</sup> October and 29<sup>th</sup> October. Do put the dates in your diary, all welcome to come and join us in the Community Room at The Orchard, Nunton, for all sessions or just for those you can manage. There is no charge. If you need to know more, please contact Marian on 01722 335685.

## Pension Scams

People targeted repeatedly with pension scams, say  
Citizens Advice.

Over 55s are being repeatedly contacted with cold-  
calls and emails offering fraudulent pension  
opportunities, warns Citizens Advice.

Over four months, after the pension reforms came  
into effect, figures from the national consumer body  
find that two in five Citizens Advice pensions staff  
across England and Wales have seen people  
targeted repeatedly with pension scams.

Albert Ball, Project Manager at Wiltshire Citizens  
Advice Pension Wise said: "Pension scams threaten  
people's financial security. Scammers are finding new  
ways to go after people's pension pots including  
offering free pension reviews and promising to invest  
funds that don't necessarily exist. "If you've had an  
offer or signed up to a pension scheme you're unsure  
about, I urge you to contact your local Citizens Advice  
where our staff can offer free help and support."

Citizens Advice offers Pension Wise guidance where  
people aged over 50 can access free face to face  
guidance sessions. To book an appointment call  
01722 580052
