## Happy Easter from Revd Jenny Taylor

We are now well into Lent. We have a mid-week communion on 9<sup>th</sup> March in Charlton All Saints and on 16<sup>th</sup> March in Nunton and, if Sundays are difficult for you, it would be lovely to see you there.

Do check our Lent leaflet for all the details of our services and events – it would be sad to miss any of them!

Lent is such an important time in our Church's year. A time when we can do something extra for our world, a time to catch up with ourselves and our relationship with God, a time to look around and marvel at the beginnings of Spring emerging around us. I hope you all become more aware, in these weeks leading to Easter, of God's love for you so that we can all truly celebrate the gift of new life given to us in Jesus Christ.

## Odstock, Nunton and Bodenham WI

*Rosemary Stephens*

The February meeting was well attended with over fifty members present. After welcoming everyone, the President thanked the hostesses and led us all through the monthly business. All our interest groups were active, with the Garden Group restarting this month after the winter break. Reminders were given about forthcoming skittle and scrabble matches and details updated about monthly theatre visits. Our 29<sup>th</sup> February 'fifth Monday' meeting will be a flower arranging demonstration by Rachel Phillips. Future events were discussed and a Portsmouth dockyard trip was the chosen venue for the summer outing on 14<sup>th</sup> July. Attention was drawn to the monthly diary and the notice board where there were details about County and Local events. Two much valued Denman bursaries were drawn and congratulations given to the winners Maureen Ball and Sheila May. This year the title of the Lady Denman Cup competition is to 'Write a Letter to your Younger Self' in 500 words. Social time followed.

Kate England was our visiting speaker and gave an animated talk entitled 'Bringing the Stone Age to Life'. With the aid of her many replica artefacts such as napped stone tools, bone needles and plant fibre thread, wooden spears, feathered arrows, and objects made from bark and plant fibres, she endeavoured to take us through the eons of time these hunter gatherers lived. Amazingly 99% of the time humans have been on Earth actually falls into this period although Britain was not inhabited until just half a million years ago! Kate is to be complimented on the insight she provided.

Our next meeting will be our AGM on 14<sup>th</sup> March when we will also be holding a cake and coffee morning to raise money to support the Save Denman College Appeal.

## Villages Plan

*Roderick Mackay*

The Odstock Neighbourhood Plan steering group has produced a questionnaire to obtain the views of all those who live or work in the three villages (Odstock, Nunton and Bodenham).

Copies are being distributed with this edition of News and Notes, and everyone who returns a completed questionnaire is eligible to be entered into a Prize Draw for a meal for two at either the Yew Tree Inn in Odstock or the Radnor Arms in Nunton.

Please let us have your views, as this is your opportunity to have your say. The current National Planning Policy is to encourage local communities to have a more direct input on "Planning" in their area. After the receipt of the completed questionnaires the Steering Group will then advise the Parish Council on whether they should proceed with a neighbourhood plan.

## **Odstock Parish Council**

At the February OPC meeting, there were NO new proposals from Wiltshire Council for the A338/C12 junction although a good response to the December consultation was acknowledged.

The **Annual OPC Meeting** is scheduled for **9<sup>th</sup> May** following the Annual Parish meeting which is a great opportunity for parishioners to have their say about any relevant matter. Please contact the Parish Clerk about all parish council matters, including highways issues, on Tel: 01794-341405 or eMail:

## **Dog fouling Odstock Playing Field**

We have been made aware of a significant amount of dog fouling in the Odstock Playing Field. Dog owners who use the field are urged to clear up any mess from their dogs and dispose appropriately. Many children use the field, particularly the play area, and dog owners should consider other users of the area and the impact dog fouling may have.

Dog owners should also be aware of new rules that come into force on 6<sup>th</sup> April 2016 concerning micro-chipping. More information can be found here:  
<http://www.sp5.org/opc/dogs/>.

## Longford C of E Primary School

Nicolette Beardsmore, Parent Governor

I can't believe that last issue, I was reflecting on the start of the new calendar year and today I've just come back from celebrating the end of the first half-term. Time really does fly.

At the Celebration Worship Assembly today we formally welcomed and blessed our new Headteacher, Mrs Louise Knipe. Combining solemnity with joy, Rev Jenny Taylor blessed Mrs Knipe, the children, Governors, staff and parents with water from Salisbury and the River Jordan, sprinkling one and all with droplets shaken from a bunch of rosemary twigs.

Mrs Sally Crook provided an enormous cake decorated in the school colours and the school logo to be shared by all. (I can confirm it was delicious)

On starting her new role, Mrs Knipe said:

*I am incredibly privileged and proud to be the Headteacher of Longford Primary School. It is a very friendly village school and an absolute gem!*

*It is my priority to ensure that all our children are filled with positive learning experiences, that they are aware of the endless possibilities that await them and that they are nurtured in order to develop within them, a confidence to embrace whatever comes their way. I am very passionate about children's learning and believe that education can change lives.*

*Our small, mixed age classes enable us to create a family feel whilst empowering our children and igniting their curiosity and thirst for learning. I have received tremendous support from the school and wider community, and look forward to contributing to a bright and exciting future for Longford Primary School.*

### Starting School in September 2016?

Parents who are still seeking a Primary School place for September 2016 are welcome to visit the school. Please telephone the office to make an appointment on 01722 327292.

### We are currently seeking a Clerk to the Governors and a Co-opted Governor

The **Clerk to the Governors** would be accountable to the Governing Body (GB) and working effectively with the Chair of Governors, the Headteacher and other Governors.

The successful candidate will be responsible for advising the GB on constitutional matters, duties and powers and will work within the Board's current legislative framework. You will secure the continuity of Governing Body business and observe confidentiality requirements.

A key part of the role is to help prepare and circulate agendas for Governing Body and Committee meetings, take notes at the meetings and prepare and circulate the minutes.

In line with our commitment to safeguarding and promoting the welfare of our students, the appointment will be subject to a DBS check and satisfactory references.

Suitable training will be provided, where needed.

For more information please see the 'Latest News' page of the school website. If you are interested, then please contact Mr Stuart Fowler, Chair of Governors, by email [Stuart.Fowler@longford.wilts.sch.uk](mailto:Stuart.Fowler@longford.wilts.sch.uk) or leave a message at the school 01722 327292.

**Co-opted Governors** are people who have the skills required to contribute to the effective governance and success of the school. For more information please see the 'Latest News' page of the school website. If you are interested, then please contact Mr Stuart Fowler, Chair of Governors, by email [Stuart.Fowler@longford.wilts.sch.uk](mailto:Stuart.Fowler@longford.wilts.sch.uk) or leave a message at the school 01722 327292.

### Reading Buddies needed – can you help?

Got an hour to spare in the week? If so, please come and listen to our children practising their reading at school. Please call the school and chat to Mrs Mason (Magpies class teacher and Literacy Subject Leader), who will explain what's involved and give you guidance. Tel: 01722 327292

## Seedy Sunday

13th March 2.00-4.00pm

in the Memorial Hall,  
Downton, SP5 3PD

Seedy Sunday is all about sustainable living with particular emphasis on growing your own fruit and vegetables and minimising what we throw away through re-use and recycling.

At the heart of Seedy Sunday is the Seed & Plant Swap. If you have spare seeds (veg or flowers), either ones you've collected yourself or spare commercial ones, please bring them to swap for others. Alternatively just come and pick the seeds you'd like for a donation. Also present will be 'More Veg', who sell seeds in small quantities. Although there'll be no seed potatoes this year, as it's a little late, we will have some early vegetable seedlings to get you started. Garden accessories should include pea/bean sticks (made from coppiced material). In addition children can take home a **free** vegetable/flower starter kit so they can start their very own garden.

**Easter** will be only a couple of weeks away so New Forest Chocolates will be selling locally made hand crafted eggs (just wrapped in cellophane without all that packaging). Other seasonal gifts will be available.

If you have any blunt garden tools then please bring them along; the charity 'Tools for Self Reliance' will be sharpening garden tools with the profit going to provide implements to developing countries.

Gardening to encourage those vital pollinators and other good wildlife (hedgehogs to eat the slugs) features this year. Wild flowers, as well as looking lovely, are important for bees who pollinate fruit bushes and veg plants. You can buy wildflower seeds and learn about pollinators from 'Bees Knees'. The RSPB will be present selling bird food, nesting boxes and insect homes. Children can learn how to make their own insect house.

And of course we have our perennial favourites – chickens, and honey from our local beekeeper. Finally please bring unwanted garden items, tools or books for the Recycling Table (but no small plastic pots please). Enjoy tea with homemade cakes and Easter biscuits!

Seedy Sunday - the start of Spring!

## Care Home Volunteers

*Joy Kelly, Volunteer co-ordinator/Project Manager*

I work for a small charity, currently operating in Salisbury, which has been set up to increase the number of local people visiting older people in care homes to increase opportunities for social contact. As people become older, often their social network shrinks, and some people living in residential care may not have any external visitors or limited contact with others.

We recruit, train and offer ongoing support to volunteers and are always looking for people who would welcome opportunities to extend their own social network and make a difference to an older person.

We are running some information sessions over the coming months and are also very happy to come and speak to groups or clubs who may be interested in what we do.

If you would like to know more about what we do then please do get in touch with me, or come along to one of the information sessions which are taking place in the Community Room at Tesco on Southampton Road, Salisbury on the following dates:

- Tuesday 23rd February 2pm – 3pm
- Wednesday 16th March 2pm – 3pm
- Wednesday 20th April 2pm -3pm
- Tuesday 24th May 2pm -3pm

For further information please contact me on 07931 022824 or email [info@carehomevolunteers.org.uk](mailto:info@carehomevolunteers.org.uk)
