## From Revd Jenny Taylor

Life is full of celebrations in the Chalke Valley during the month of July. Our new Team Rector will be licensed on Tuesday 7<sup>th</sup> July. We have summer fêtes in abundance, and none better than the Odstock, Nunton and Bodenham one on Saturday 11<sup>th</sup> July, with *EbbleFest* in the marquee the night before!

The amount of weddings up and down the Valley this summer has been phenomenal, and we wish all our couples much happiness in the years ahead.

We have also, of course, suffered sadnesses, with deaths and illnesses being visited upon families and friends. Our jobs can cause enormous stress, but so can being jobless, and I don't suppose there are many who do not have at least the occasional financial worry.

Throughout life's joys and sorrows we are reminded that the church is there for all of us, every day of the week - not just the buildings, however beautiful they are, but the people too - and that includes every single person. So if there is anything we can do for you – baptisms, weddings, visits, prayers, chats, please do make contact with us (see details below) and take to heart these words from the New Testament:

*Nothing in all creation will be able to separate us from the love of God in Christ Jesus our Lord.*

Gillian Dodd

Our summer tea party was held on Monday 8<sup>th</sup> June at 2pm in the Radnor Hall and garden. The sunny afternoon enabled us to have some of the stalls in the garden as well as in the Hall. Heather Marrison, our President, welcomed everyone, especially visitors from local Institutes. She informed us of the various activities within our Institute: gardening, book club, theatre visits, pins and needles, walking, skittles and Scrabble. Requests were invited for help with the Nunton Fête, our September celebration lunch and Morning Star.

Programmes were distributed and local invitations mentioned. Susie Appleford (Secretary) announced the county events including WI holidays to Norfolk and Croatia. Heather mentioned that she and Sue Amey had travelled to Devizes to enjoy the broadcast of the Centenary Annual Council meeting at the Albert Hall in the presence of the Queen.

Next on the afternoon agenda was Demi Ladwa demonstrating Indian Stick Dancing. This was originally performed in Hindu temples and different dances emanated from every area in India. Then we were invited to partake with a partner having learned five different movements holding a pair of sticks in each hand. It was hilarious for the dancers and audience alike.

Tea was next. We sat at long tables beautifully decorated with country flowers and china teapots on lace tablecloths with delicious sandwiches, scones of jam and cream and homemade cakes. It was a feast to behold. This created an intimate and friendly feel and our thanks must go to Sue Amey, Margaret Barrow and their team.

Afterwards, on behalf of us all, Heather presented Wendy Duke with a beautiful plant for her hard work over many years producing our monthly diary. This was followed by a raffle and we departed with our goodies from the bring & buy, plant and tombola stalls.

Our next meeting is on 14<sup>th</sup> September for the Centenary autumn lunch.

## It makes me laugh!

### One Smart Parrot

There was once a magician on a cruise ship who performed mainly sleight of hand tricks. He had a regular spot on the ship's cabaret evening entertainment. He was actually quite a good magician, but his routines were regularly ruined by the on-board parrot who would fly around squawking out and giving away his secrets like:

"It's up his sleeve. it's up his sleeve!", or  
"It's in his pocket, it's in his pocket!", or  
"It's in his mouth, it's in his mouth!"

The magician was getting pretty sick of this and threatened to kill the parrot if it ruined his act one more time. That evening right at the climax of his act, just as he was about to disappear in a puff of smoke, the ship hit an iceberg and sank in seconds.

Amazingly, the magician and the parrot were the only two survivors. The magician was lying on a piece of driftwood in a daze. As he opened his eyes he could see the parrot staring at him out of its beady little eye.

The parrot sat there for hours just staring at him and eventually said, "OK, I give up, what did you do with the ship?"

Thanks to Barbara Bradford, Nunton

### What's the difference?

Q: What is the difference between a buffalo and a bison?

A: You can't wash your hands in a buffalo.

## South Sudan

*Maggie and Jeremy Metcalfe*

Many of you will already know that we are joining Caroline Lamb on her September visit to Kajo Keji in South Sudan with CRESS (Christian Relief and Education in South Sudan). Caroline already has medical equipment and clothes to take out but we would like to take some smaller items which are listed below. Any money raised will be going towards the family day when all the children who are sponsored by CRESS will have a great party and receive presents. The women will also benefit from fellowship with each other and some teaching on health and family life. It would also be good to be able to give the women some treats (we might see these as essentials).

If anyone has access to some of the following items we would be very grateful –please bring them round to Green Pastures, Bodenham, or phone 01722 325825 and we will come and collect:

*Pencils, pens, colouring books*

*Inflatable footballs, tennis balls (not necessarily new)*

*Toothbrushes, toothpaste*

*Handbags, cosmetics, sanitary items, bracelets, good as new tee shirts. Large suitcases*

If anyone has any spare *Bibles* or *clergy shirts* they would be welcome too!!

You have already been most generous to CRESS but if anyone does want to make a donation you can make cheques payable to CRESS and give them to us, or direct to Caroline.

Many thanks on behalf of the people of Kajo Keji and Liwolo.

The sessions last about 15 minutes and books for you to select to read are available if you don't have any of your own. The children are all pre-school age and are always accompanied by an adult. ## Localism Act 2011

Roderick Mackay

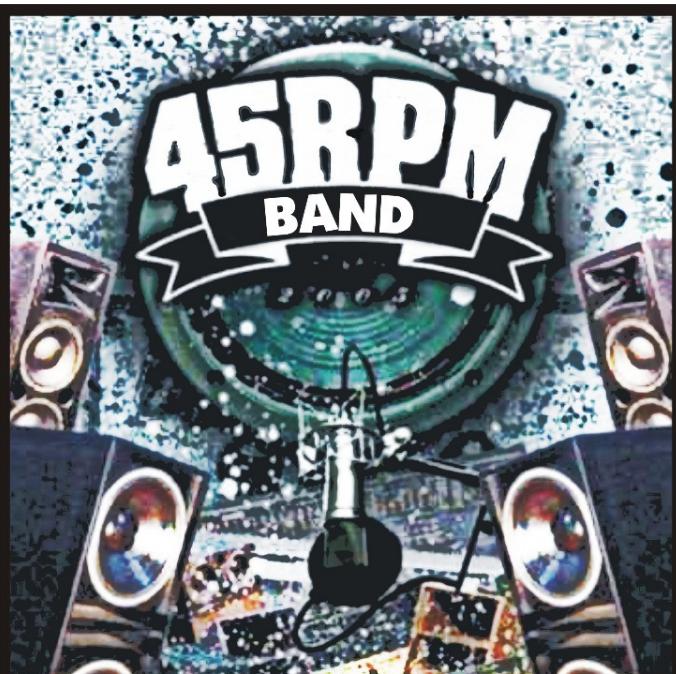

I have taken over from Brian Clarke as Chairman of the Steering Group advising the Odstock Parish Council on the question of a Neighbourhood Plan or a Parish Plan, or neither.

We had hoped to have an open meeting at the end of June to find out the views of all those living and working in Odstock, Nunton and Bodenham.

Unfortunately, we are still short of volunteers to help us to take this work forward, and don't yet have enough people to organise a full public meeting in June, and then take the project itself forward. We are nevertheless considering having a stall at the Fête on 11<sup>th</sup> July to provide information and a chance for all to have a say.

If you cannot come to the Fête but wish to make your views known, please feel free to comment to the Steering Group through the News and Notes email address. If you would like there to be a more local voice on planning, please let us know. Equally, if you do not wish to have a more local voice, please also let us know, as this will help us in our advice to the Parish Council.

At the same time, we would really welcome new members to join us on the Steering Group. You don't need to have any specialised planning or parish council knowledge, just an enthusiasm for helping to shape the future of our community.

# Longford C of E Primary School

Nicolette Beardsmore, Parent Governor

With the end of the school year fast approaching and exams completed, plans are afoot to celebrate in style.

You are all invited to the Longford School Summer Fair, taking place on Saturday 4<sup>th</sup> July from 2 – 4pm at the School (parking available at the Park & Ride). There will be a BBQ, live music, bouncy castle, stalls, games, tombola, raffle, cream teas and other refreshments. Please contact [Nicford@hotmail.co.uk](mailto:Nicford@hotmail.co.uk) if you are interested in renting a stall.

Donations for the tombola, raffle or books, plants, toys, accessories for the School's stalls may be dropped into the school office anytime during the school day or dropped off with Nic Ford (Odstock) or myself (Nunton). Please email Nic (address above) or call me on 01722 337911 to confirm a suitable time.

In addition to the Summer Fair, the School will also hold a stall at the Odstock, Nunton and Bodenham Fête on 11<sup>th</sup> July.

Finally, there is a Leavers' Party and Disco for Year 6 on 17<sup>th</sup> July. Being such a small school where the children all know each other well, all the children and their families are invited to celebrate the end of 7 years at primary school with the Year 6 children, before they leave to embark on the big adventure of secondary school.

While we will be sorry to see them leave, we will have the joy of new faces starting Reception in September. The School held a Welcome evening for Parents of the new Reception children earlier this month and the children will also be visiting the school during July to familiarise themselves with staff and children and their new environment.

*We do have vacancies in Reception for September 2015 so please call Mrs Dee Follett in the School Office (01722 327292) if you would like more information or to arrange a visit to our lovely school.*

But despite the social whirl, learning is still a priority. During this term, Kingfisher Class (years 3 – 6) will be visiting the Salisbury Museum to investigate how art has been an important part of human civilisation and how the work of various artists can give us an insight into the past. They will be making some replica posts based the examples displayed at the museum.

Kestrels Class (Reception) is holding an Assembly for Parents where they will be performing fairy tales and stories as part of their term topic of 'Let's Pretend'.

Earlier this month, Archdeacon Alan Jeans visited the school to present a beautiful wooden cross to commemorate the opening and blessing of our new hall and extension.

Finally, Sports Day will be happening in the last week of school. There will be whole school teams, games and athletics in the morning ahead of a picnic lunch with families.

On a more serious note, some of you may have heard the school mentioned on Spire fm in early June during a discussion about schools becoming Academies, when it was stated that Longford would be converting to an Academy. It is true that the Department for Education (DfE) wrote to the Chair of Governors,

appointing an Academy Broker to take forward a sponsored academy solution for the school. However, to date, the DfE have been unable to secure an academy sponsor for the school so although there is an expectation that the school will convert at some point at the future, the School is continuing to work with the strong support and funding of the Local Authority. Together we have made great strides in improving the school and Ofsted HMI Inspectors agree we are on the right track.

This is backed by the support of the children who, in a recent survey of Pupil Learning Behaviours, confirmed that they felt the school was moving in a positive direction, and there were big differences in behaviour and in the richness of the curriculum over this year.

Parents were also asked about their opinions and we are delighted with the results of this questionnaire, noting, in particular, that 'children are happy and feel safe at school' and that parents are beginning to feel 'more informed about their child's progress at school'. But, as always, when these surveys are undertaken, areas for improvement are identified and the Headteacher, Mrs Shrimpton, and the Governors will be making these a priority in the next few weeks. Copies of these surveys and the results are available via the School website [www.longford.wilts.sch.uk](http://www.longford.wilts.sch.uk) .

Among some of the positive comments, 'lovely small friendly school', 'important that my child was not just another number in the class' and 'I appreciate the standards of education practised and the team is great'.

## Staff News

After a period of ill health, Mrs Jo Smith has decided to resign her teaching post. She has been a dedicated member of staff, working hard at Longford Primary School and its predecessor school for almost 17 years. We wish her well for the future.

However, we are pleased to announce some new appointments and welcome Mr Grant, Ms Lightbourn and Mrs Mason to our team. The staffing and class arrangements for next year have been agreed:

Miss Tomlinson has been confirmed as the teacher for Kestrels Class (Reception and Year 1).

Mrs Jenny Mason, who has been teaching part-time at the school since April, will be teaching Magpies (Years 2 and 3) on Mondays – Wednesdays with Ms Lightbourn taking over on Thursdays and Fridays.

Mr Grant and Ms Lightbourn will continue to share the role of class teacher for Kingfishers (Year 4, 5 and 6).

All our teaching assistants will also be continuing with us.

## Fundraising

Mrs MacDonagh, one of our teaching assistants, midday supervisors and transport assistant is running the Race for Life on Sunday 12 July. If anybody would like to sponsor her she has a 'just giving' webpage at [www.justgiving.com](http://www.justgiving.com) . Please search for Jacqueline MacDonagh.
