Dear Friend

A room without a door in any of its walls would be of no use. It would not matter how beautiful and comfortable it might be inside, it would be impossible to enter it!

It is not possible to enter into the joy and wonder of Easter without first going through the "door" of the Cross. Resurrection, properly understood, implies new life after death. It does not mean some religious feel-good factor. Jesus, who suffered so much at the hands of mankind, was not deserted by his Heavenly Father even though He cried out "My God, My God, why have you forsaken me?", just before he died. On the third day (Easter Day) God raised Him from the dead.

You and I are invited to place our lives in the care of and service of Jesus. His promise is that He will not fail us in our times of need. The first of those needs is to confess that we hold the same selfish and fearful attitudes of those who got Him nailed to a cross. That is the first step through the "door". Once that step is taken we will be entering into a relationship with Christ which we call eternal life, even now. From that moment we have a companion who has trodden the path of this life the hard way and emerged triumphant and He will not fail us in our journey.

This Holy Week and Easter please take time to worship the God of the Cross and the Resurrection and take a fresh step towards knowing him in your experience. This of course can be done anywhere including the privacy of your home. But why don't you join with many others who will want to know the encouragement of worshipping together as God's family in church?

Holy Week services start with a special United Communion for Palm Sunday at Charlton. The customary emphasis on the Passion of Jesus will be expressed in a selection of music and readings during this service. May I commend to you also the Devotional Hour on Good Friday afternoon as a particularly good opportunity for quiet reflection ... and of course the Easter Communions!

Yours

Robert Hollingshurst

On 13 March the President, Miss Denys Clarke, welcomed Mrs Judith Snowdon as our VCO at the AGM. Mrs Snowdon brought a good selection of WI books which members were able to order, including a newly launched "A Taste of WI Markets". The cost of paper has increased recently because ... the Chinese are learning to read, therefore all schools are needing extra books!!

A ballot was held for the new Committee. Miss Clarke was re-elected President, the Committee being Mesdames Bourne, Barrow, Dixon, English, Feitham, Johnson, Saunders and Van Hagen. The Committee provided a delicious ploughman's lunch with wine to end the meeting. Miss Betty Marks won the "flower of the month" competition with a lovely Chinodoxa.

On 10 April Mrs Margaret Annetts will speak on Sights and Sounds.

## Road and Traffic News

At the time of writing the poles are in situ and the speed restriction signs should be in place by the end of March. There were a number of side roads, off the main C12 Odstock-Nunton road, also included in the restriction zone and so it does mean rather a proliferation of signs and repeater signs in the villages.

There is a feeling that road signs generally should be less intrusive. The problem is finding the right compromise between conveying a message clearly whilst not "urbanising" the rural landscape in the process.

Coombe Bissett has a strong case for extending their speed limit on the busy A354 to the north and south of the village and so this will be next on my local highways agenda.

Julian Johnson, County Councillor
